RURAL LIVING™ | ENGINEERED HARDWOOD

Scraped for Rustic Elegance

This highly distressed wood features an aggressive scrape, random surface chatter and hand-beveled edges and ends for a truly one-of-a-kind floor with an authentic look and feel. The rustic visual is beautifully displayed on 5" wide planks and only further enhanced by a low gloss finish – for a look that's both casual and elegant.

NATURAL CHARACTER

In each carton of Rural Living, you can expect to find a range of natural wood character, such as filled knots and splits, large mineral streaks and high color variation. For optimal installation, mix planks from multiple cartons to ensure that the natural character is evenly distributed throughout the floor.
